Sorry, I left you off this by mistake. I made the changes that Jim and I had discussed and changed the signature to me since Jim is out.

Thanks!

Rick

Kate, Dom:

Attached is the response letter that is ready to go to Hampton Roads Sanitation District regarding their pilot injection well for the SWIFT project.

I touched base Dave McGuigan and he does not believe that this will impact their efforts on the NPDES consent decree they and DOJ are actively working with HRSD.

I thought you might want to see this before it goes out.

Let me know if you have any questions.

Rick
